BERNARD GOWN WITH

Great Dress Display to Aid The Girl and the Man Of To-Day; Do They Fail Or Do They Succeed?

Apparently there is nobody to say a good word for the man of to-day. 'Loafer" and "parasite" are some of the mild words used. He is accused of responsibility for the attire of the modern girl, and of "degrading" her by teaching her to dance. If the reprobate has a champion, Miss Marshall hopes to hear from him.

That Dark and Dismal Failure, the Young Man of To-Day, Is Accused of Being Vain, Dolling Up and Having a Passion for Wrist Watches.

By Marguerite Mooers Marshall.

Although the girl of to-day has been harshly assailed, she nevertheless has aroused champions of the opposite sex, as well as of her own, who do held at the Biltmore, as the club's The exhibition will be followed by a not hesitate to pronounce her an unqualified success. But nobody has yet found a kind word for the young man of to-day! According to present returns, he's a dark and dismal

He has been accused of being vain, of dolling up, of cherishing a passion for wrist-watches. He has been criticized for seeking the company of painted, powdered. gaudily dressed young women, and of indirectly influencing girls to conform to these meretricious standards of attraction. And to-day one indignant feminine correspondent informs us that "parasites" is the only word which aptly characterizes many of the brothers

with the men now, I have met with so many insults from men in different offices where I have worked. I am a foreign correspondent and have met all kinds of men, so am able to judge. I used to go out with the boys and girls, but when the men saw I did not drink or smoke, and that I resented their insults, I was not interested to-day in any except showy, vulgar women.

"Dou't exclaim. Men do not marry that type of girl. Because they do. Several girls of my acquaintance who have been more than indiscreet are

several girls of my acquaintance windshave been more than indiscreet are now married to men who respect them as much as other men respect a perfectly good girl. I know a woman who was married for four years, then who was married for four years, then ran away with another man. After her divorce the other man married her. He would not look around and marry a nice girl. There are lots of good girls in this world who desire to be married. No, men are more anx-ious for the other kind. Do you won-der women are suffragists? I am one, and if the future generation women are as noble and good as the present generation the men should be very proud of the opposite sex. T."
